Marietta: Per your suggestion, we've updated the slides to **Ex. 5 Deliberative Process (DP)**. Also note that we conferred with Mike Metzger and Amy to ensure that they had input and were comfortable with the portrayal of the phrasing, but let us know if you have questions. You'll find the subject additional slide in the Health Effects section of the presentation.

Best,

We went back on forth on this issue, deciding that we would mention it very succinctly during the presentation, but that we wouldn't add it to the slides (so that we could get through the presentation in time). However, if you think that we should include it on the slides as well, we can do so. Let us know. . .
